

INTRO

Are you ready to be immersed in a spectacle of rhythm and colour? Spark! is a mesmerising street theatre show that combines high impact drumming with kaleidoscopic lighting design. Our ethereal, playful characters use captivating and dramatic music to interact with the crowd and lead spectators on a spellbinding journey; culminating in a climax of light, sound, smoke and movement.

Spark! has delighted and enthralled people of all ages and cultures the world over. The show is extremely adaptable and incorporates static set-pieces, parading between sites and audience interaction. Our flexible set times – from 3 minutes to 45 minutes; day or night – ensures each Spark! performance is tailored to our client's vision. What's more, we're completely self-contained, enabling us to travel effortlessly across the globe. Typically our show has five performers but for bigger events can be scaled up to ten performers; Spark! is a medium-scale show that packs a large-scale punch!
